Accompanying document(s):

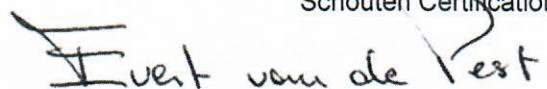

- ☐ Report (incl. questionnaire)
- ☐ A copy of the Autocontrol data of your company from ACII (BOOD). Results of inspections and Autocontrol guide audits can influence the amount of your levy. Changing activities without notifying the LCE and certification body can lead to incomplete validation and an increase in your levy. The current status of your levy at the FAVV can be found under the heading "levy" in the summary. The FAVV reserves the right to carry out its own (parallel) inspection after the Autocontrol guide audit of the certification body to test the performance of your company and the certification body.
